Welcome by the Headteacher

Bethan Davies

Welcome to Ysgol Tremeirchion's prospectus. We pride ourselves on having a happy and homely school where all individuals are respected and treated equally. We aim to provide an energetic and comprehensive curriculum where the eagerness to learn and succeed among our learners is fostered. The learners are at the heart of the school, where we give them opportunities to grow into responsible and confident adults in their community. The school is a Welsh language school, with Welsh being the main language of learning, and we strive to have all children fully bilingual by the time they leave for secondary school. I am very fortunate to lead a team of staff who work hard to maximize potential and quality among our learners. I believe it is important to work with parents/guardians, the local community, and the Denbighshire primary school cluster to maximize the success of your child(ren). I'm sure your child(ren) will be very happy and thriving under the guidance of Ysgol Tremeirchion staff, receiving the best possible education and opportunities.

By receiving the best possible education and opportunities during their school journey, your child(ren) will be prepared for today's changing world.
